A new Special Issue *Micro/ Nano-Materials and Their Performances in Bio-Domains* (http://ajnano.org/sinfo/226031) has been launched in *American Journal of Nano Research and Applications* (http://www.ajnano.org). This Special Issue intends to collect research achievements concerning Nano Materials. Novel insights as well as fundamental research on the topics are warmly welcomed. Your submissions along with your ingenious works are expected.

**Lead Guest Editor**

Lead Guest Editor: Shafqat Ali  
Affiliation: School of Material Science and Engineering, Tsinghua University, Beijing, China

**Paper Submission**

Potential authors are humbly requested to submit an electronic copy of their complete manuscript via  
http://ajnano.org/submission

**Topics of Interest Include (but not limited to):**

- Synthesis of nano-materials and their performances in bio-domains  
- Biochemistry research  
- Medicinal chemistry  
- Synthesis of micro-materials and their performances in bio-domains  
- Bioorganometallic synthesis  
- Engineering towards bio-fields

**Important Dates**

Submission Deadline: **Oct. 30, 2019**  
Publication Deadline: **Dec. 30, 2019**

**Join as Guest Editor**

For scholars who have intention to join the special issue as guest editor, please check out the link below:
